Notes:

- **Pager remove/forwarding should be at 5:00 pm during weekdays and at 8:00 am on weekends.**
- **CP call report should be submitted the next day by 10:00 am or the following Monday (for weekend calls).**
- Residents on CP rotations are encouraged to use the wiki <http://CPoncall.wiki> and log their cases. The log will remain **completely anonymous**, and only 4 data elements are required: 1) CP lab; 2) scenario description; 3) scenario resolution; 4) reference(s). Residents are reminded **not** to input any type of staff or patient identifiers.
